KILLED AT MUNCIE, IND.

Word has just been received here by friends announcing the death at Muncie, Ind., of Mr. James Cox, formerly of this city. Mr. Cox was a railway employee and was killed by being run over by a train. Several years ago he was a flagman on the local branch of the L. & N. railroad.

Miss Florence Rogers will return today from a visit to relatives and friends at Indianapolis, Ind.

NEW GARAGE TO OPEN SATURDAY

(Vanceburg Sun.) Mr. Bartlett of Maysville, was here Monday and contracted for the work on his new garage in the Hays wagon shop building on Second street. He expects to open Saturday with a line of Overland cars in charge of Fred Hinkel.

Miss Lucy Lee Parker and Mrs. Goldsby Farrar of Orangeburg, were shopping here Wednesday.

DRUNKEN FATHER

Placed Under Arrest Wednesday Afternoon—Three-Year-Old Son Taken To City Mission.

Residents and bystanders near the corner of Front and Market streets were forced to call upon the police Wednesday afternoon. Two men, one with a small boy in charge, were observed down on the grade near the wharfboat in a very drunken condition. The man who had the boy was falling and rolling around on the bank and it was feared that both would fall into the river and be drowned.

Officer Dudley Fizer soon arrived and placed the men under arrest and turned the boy over to Mrs. Peddicord at the City Mission.

The father was so drunk that he could not give his name nor where he was from; the other man gave his name as Jack O'Connell.

The boy at the Mission seemed to be a very intelligent little chap and talked freely, but he could not talk plainly enough for one to understand everything he said. He said that his name was William Albert, that he was 3 years old and that he lived on a boat with his father. What he tried to tell concerning his mother and other matters could not all be understood.

At the jail Thursday morning the man gave his name as Jack Eddington and said that he came off of the Tacoma here Wednesday, but would give no further particulars of himself or the boy.

The whole story will be sifted out in the Police Court.

GARB OF YOUNG WOMAN IS HUMILIATING TO MODESTY OF MEN, SAYS MORMON.

Salt Lake City, April 13.—President Joseph F. Smith of the Mormon church, attacked present day dress of women before several thousand men and women at the Sunday school conference of the church in the tabernacle here.

"I want to enter my protest against the prevailing fashions for women," he said.

"I see young women going down the streets in garb not only ridiculous, but shameful, suggestive and humiliating to the modesty of honorable men; garbs that make lustful the low scoundrels who are willing to defile anything that is sacred."

"To say that I am ashamed of such fashions of dress is speaking my mind very mildly."

FREEZE HURTS TOBACCO PLANTS.

The heavy freeze of early Monday morning has caused much loss to the farmers' tobacco beds, and many of them are ruined completely. These were where the plants were up, or just starting in the soil, as the ground was frozen more than an inch deep. Some of the tobacco growers will not sow beds until this week and many of those who had supposedly early plants will have to re-sow. As a result of this loss some of the growers contend that the setting of tobacco will be late and that the crop will, in the main, be one of the latest in years. The fruit crop does not seem to have been injured.

BIERLEY'S INSTALL NEW SODA FOUNTAIN.

To meet the demands of their steadily growing trade, M. G. Bierley & Son, the Market street confectioners, have just installed a handsome new soda water and soft drink fountain of pure white marble and the latest of all necessary fixtures. Messrs. Bierley now have a nice trade and feel that the public deserves the best that they can put out.

BRITISH GOVERNMENT MAKES BIG PURCHASE OF SUGAR.

Agents for the government of Great Britain purchased 25,000 tons of sugar in New York Wednesday at the big price of 7 1/2c a pound, the sugar to be delivered some time in May. Those who are in a position to know say that the sale will cause a startling advance in the price of sugar in the near future. Just how much it will can not be conjectured.

TO RAISE TURKISH TOBACCO.

G. E. Dudukjian, an Armenian, has purchased ten acres of land from L. C. Bierne on Apple Tree, Lewis county, and will experiment this season in the raising of cigarette Turkish tobacco. If he is successful he will make his tobacco into cigarettes and market them. This tobacco in Turkey sells as high as \$5 per pound.

RICHARD HARDING DAVIS DEAD.

Mount Kisco, N. Y., April 13.—Richard Harding Davis, author and war correspondent, died at his home here late Tuesday night from heart trouble. His body was found early Wednesday morning and he had apparently been stricken while at his telephone.

BIG TIME AT FLEMINGSBURG.

The degree team of Wyandotte Tribe of Redmen of this city, which installed a new lodge at Flemingsburg and initiated a large class of candidates Wednesday night, reports a good time enjoyed by all who attended.

The funeral of Miss Bettie Hampton, aged 65 years, who died Monday at her home on Short street, was held Wednesday morning at 10 o'clock from her late home, with services by Rev. J. E. Reed. Burial in the Maysville cemetery.

Henry G. Kahne, who is employed with the lock and dam at Blacksburg at Maysville, has been here a few days, the guest of his family, and has returned home.—Ashland Independent.

SUNDAY SCHOOL CLASS ENTERTAINED WEDNESDAY NIGHT.

Wednesday night the Sunday school class of Mrs. J. C. Burwell of the First M. E. church, South, was delightfully entertained at the home of Mr. and Mrs. J. C. Burwell on East Second street, by Mrs. Fannie Geisel and Misses Ruth Hall and Bessie Wells. The pretty home was tastefully decorated with Easter lilies and a most pleasant evening was spent by the large number present, who were Misses Dickman, Dorothy Hockaday, Nellie Tristler, Lucy Gordon Quintance, Lizzie D. Quintance, Angie Watson, Jennie N. Watson, Edith Dinger, Esther Ort, Thelma Kirk, Elizabeth Peed, Ruth Hall, Bessie Wells, Katherine Smith, Sallie Bryant, Pauline Pollitt, Ada Duzan, Carrie Goodwin, Lena Hornback, Annie Calvert and Miss Goodwin, and Mrs. Fannie Geisel, Mrs. Dr. Howard, Mrs. Sam Huggart, Mrs. W. T. White and Mrs. J. C. Burwell.

Dainty refreshments were served, followed by an Easter egg hunt and distribution of prizes. A baby picture contest also proved a source of great enjoyment.

KEEPS ELECTION PLEDGE.

Mr. R. M. Harrison, Councilman from the Sixth ward, who, when he was campaigning for the office said he would give his salary to the City Mission, if elected, kept his pledge by turning the entire amount of his first salary over to the treasurer of the City Mission. The people of the Fifth ward are glad that they had the wisdom to elect a man of such sterling integrity. Many a man after he is elected forgets all about pledges made while a candidate for the office.

MR. C. L. WOOD MADE A COLONEL.

Governor A. O. Stanley has just appointed Mr. C. L. Wood, cashier of the Farmers & Traders Bank of this city, as aide de camp on his staff with rank of Colonel. Mr. Wood is one of the leading Democrats in this part of the state and is a personal friend of the Governor.

CHRIS IS A HOT SPORT.

Chris Hunsicker, mail messenger at the local postoffice, was one of the interested spectators at the Cincinnati-Chicago ball game at Cincinnati Wednesday. In honor of the occasion he had his winter's growth of beard removed and went down as a true Maysville sport. Others who attended and whose names were not mentioned in yesterday's list were Miss Florence Fuggle, Messrs. Douglas Newell, George Barbour, John W. Matthews, W. W. McIlvaine, Hugh Thompson, Lud Gnauke, William Wels, William Daugherty and Dr. J. A. Dodson.

Dr. W. S. Yazell was a business visitor in Cincinnati Wednesday.

CRASH OF FORTUNES

Imminent As the Result of Assessment of Bank Stock of Defunct New Richmond Bank, It Is Said.

Stockholders of the First National Bank of New Richmond, O., which is now in the hands of a receiver, received another blow Thursday in a notice from the Controller of the Currency of the Treasury Department at Washington, that each in addition to losing his stock, must pay an assessment of \$100 a share. Compliance with the order, it is said, will mean the crash of many fortunes, which hitherto had weathered the failure. Semi-official reports indicate that the deficit will exceed \$100,000, and that the capital stock of \$50,000 and the surplus of \$20,000 are wiped out. Many shareholders paid as high as \$150 a share for their stock. So far as can be learned, the deposits were \$125,000, and how much the depositors will lose still is problematical. Nearly forty witnesses appeared at Cincinnati before the federal grand jury which is investigating the bank failure. Twenty-seven witnesses received subpoenas in that city.

ENTERTAINED FOR MAYSVILLE FRIENDS.

A number of those who attended the opening ball game at Cincinnati Wednesday were entertained the same night by Mr. and Mrs. William Ross at their beautiful home. They report having had a fine time.

SPRING DRAPERIES

Charming fabrics! Anticipating the advance in price on all curtain goods, we busied ourselves early to lay in a supply. When you see the results you will be delighted. It is quite remarkable how cleverly fine lace patterns are copied in the inexpensive net. The Quaker nets in ivory and ecru are especially popular. They are 45 inches wide and range in price from 25c to 50c yard. In color-bordered ivory or ecru serims and marquisettes we have pretty shades to match various decorative schemes. Delicate greens, carnation pinks, cornflower blues and other color combinations. 15c to 25c. Any of this material washed with pure soap and warm, not hot, water, will retain its pretty color indefinitely. We haven't begun to enumerate the splendid values we are offering. Come in and see our attractive display of draperies on the second floor.

Children's Muslin Underwear at Bargain Prices

Muslin drawers with tucked ruffles, or lace, or embroidery edge. Size 2 years. Former price 10c, reduced price 5c pair. Muslin petticoats in 4 to 14 year sizes. Ruffled edge of tucked India linen of lace or of embroidery. The 39c skirts are reduced to 19c. The 25c skirts are reduced to 15c. Women's nightgowns under priced at 75c, \$1, \$1.25 and \$1.50. The price out on all the above underwear is not due to any imperfections in the stock, as we never handle "seconds" in any department, but is made because the underwear is mused and not fresh looking as it was used for overhead trim during our recent underwear sale.
